VOLTAIC CABLE PVT. LTD. IS ONE OF THE LEADING CABLE MANUFACTURING COMPANY IN INDIA. OUR PRODUCTS ARE PROCESSES AND TESTED TO THE MOST UPDATED INDUSTRY DOMESTIC AND INTERNATIONAL STANDARDS.

ABOUT US

Voltaic Cable Pvt. Ltd. has established itself as a leading force in the wire and cable industry, recognized for its significant role as a major manufacturer and exporter. Located in the smart city of Surat, Gujarat, the company is renowned for producing a diverse range of high-quality products. With a robust **workforce of over 200 dedicated employees**, **Voltaic Cable thrives on a strong foundation of expertise and innovation.**

Our state-of-the-art manufacturing facility, **covering an impressive area of 2,60,000 square feet, is equipped with the latest technology and features robust in-house R&D capabilities.** This infrastructure allows us to maintain a production capacity of over **14.1 million meters per month**, ensuring we meet the demands of both national and international markets. Our commitment to quality is reflected in our compliance with international standards and certifications, guaranteeing the reliability and excellence of our products.

In addition to our manufacturing process, **Voltaic Cable operates from a modern corporate office spanning 15,000 square feet.** This space supports our administrative and strategic operations, fostering a dynamic environment for innovation and growth. Our global reach extends to exports across **World** showcasing our commitment to expanding our footprint and delivering superior cable solutions worldwide.

Mr. Narendra Dugar (C.E.O.) Founder

Futuristic, ambitious entrepreneur who lead the organization with zeal & wisdom.

*Take care of Quality. and
Quality will take care of you...*

At **Voltaic Cable**, we are dedicated to providing cost-effective and reliable cable network solutions. We prioritize customer satisfaction through superior product quality and timely deliveries, ensuring that our clients receive the best in both product and service. Our vision is to continue leading the industry with cutting-edge solutions that empower connectivity and progress on a global scale.

*"A Quality
Prefer Name"*

VISION

At **Voltaic Cable**, we envision a world seamlessly connected through our innovative and high-quality cables. We aim to lead the industry with solutions that empower global communication, fostering a sustainable and advanced future. Our focus is on creating robust, reliable, and efficient connections.
